

Allegheny Lead Safe Homes Program

Contractor Training Program

Are you a licensed, insured contractor with at least 2 years of experience in residential remodeling?

Then apply to get qualified to do residential lead-abatement construction work for the County!

Firms certified through this training program can be added to the contractor pool as a lead-abatement contractor for the Allegheny Lead Safe Homes Program.

Applications available at
www.alleghenycounty.us/leadsafeprogram

Questions? Contact Jenn Saks, Program Manager, at 412-350-1032 or Jennifer.Saks@alleghenycounty.us
