

Get help with food through in-person events.

Our distributions give individuals and families 30 – 50 pounds of food. This season, our distributions will offer more choice through a variety of grocery items. Shares will be first come first serve and will not be distributed in pre-packed boxes.

What will my local distribution look like?

We have two types of distributions:

Drive-up: Guests will stay in their cars and drive through the line to select items; volunteers will place items in your vehicle.

Walk-in: Guests will walk through the line and select their food. Guests who drive to a walk-in distribution will need to park, exit their vehicle and enter the distribution. Volunteers and staff will be onsite to assist any guests who need assistance carrying their food to their mode of transportation.

Safety Notice: Please be aware that due to safety concerns and limited space, any distribution labeled as a walk-in distribution is limited to those who enter the distribution. Drive-up services are not available at a walk-in distribution. Similarly, events marked as drive-up events will not be able to serve individuals not in a vehicle.

What do I bring?

If you are attending a drive-up distribution, put bags and boxes in your trunk. Volunteers will put your food in them. For walk-in events, in addition to bags and boxes, a rolling cart is helpful if you have one, as you will receive 30 to 50 pounds of food.

How do I register?

You do not need to bring any proof of income, documentation or identification to receive food. No one will have to make a reservation prior to coming to the distribution. You will complete a short registration process onsite with the help of Food Bank staff and volunteers. You can also register onsite at distributions to serve as a proxy to pick up food for a neighbor, family member, or friend.

Where are the distributions?

Picking up food for someone else.

We understand that your availability might not match the times of a distribution event. Individuals who cannot regularly attend may identify a proxy, a person with permission to pick up food on their behalf.

Proxies may be asked to present proof of identification before picking up food for someone else. One proxy can pick up for more than one person (including themselves). If you have questions about proxies or how to get help, call us at 412-460-3663 ext.655.
